After 2004, by completing the whole procedures for being a corporate company under the name of “OZCANLAR SANDALYE SANAYI TICARET LIMITED SIRKETI”, our company has been running its activities as a wooden chair manufacturer and seller. As Ozcanlar Sandalye, we have started our business activities inside a 80 m2 area in 1983, in 2007 with the new established factory at Inegol Organized Industry area we have increased this area up to 6000 m2 and then in June 2011, we have established our new factory at the Bursa Inegol Furniture Spealized Organized Industry Area by the numbers of 25000 m2 closed and in total of 62000 m2. This factory is also carry the status of first factory started its activites in that area. On this day we still continue our production phase on this factory.

Leta Chair’s factory, is an entegrated facility which has log cutting, wooden production, sewing, upholstery, R&D units and addition with modern technology machinery system with the logs gathered by entering the tenders of Republic of Turkish Forestry Department and present them as chairs to its customers. As Ozcanlar Sandalye under the trademark of Leta Chair, we share the utmost happines to be a pioneer in the furniture industry in our country and aim with highest position as providing services to our clients beyond the regular quality policies nowadays and contribute to our contury wealth by exporting also these services. The company’s goal is to serve our country by being respectful to environment and human rights with the policies of honesty and righteousness as we are forwarding our income onto these conditions.
